

CHECK TO SEE IF YOUR CHILD IS ELIGIBLE

Does your child live in the “Thrive Zone”?

To attend Thrive School, a student must live in the neighbourhoods within the Thrive busing zone. [View the map](#) to see if your child’s home is in this area.

Do you have a low family income?

Your combined household income must be below the threshold. [View the income threshold](#) chart to see if your combined household income falls below the threshold for your family size.

Is your child starting kindergarten?

If your child is starting kindergarten in September 2023, your child must be at least **five** years old on or before December 31, 2023.

Is Thrive a good fit for your family?

COLLECT YOUR DOCUMENTS

Why are documents required?

This information is used to confirm eligibility for Thrive. It also helps us understand your child’s strengths and their areas for growth. Registrations missing required documents will be considered incomplete. **If you are new to Canada or unable to provide some of these documents for any reason, please contact Thrive School for assistance at 780-446-2235.**
